Sheryl was a sweet and fun loving person. Her stories about chaperoning some of the Lake Bradford high school girls (RHS cheerleaders and friends) were so cute. She never forgot those good times from the 1960's! We will never forget her! She was full of kindness, adventure and love.
May her family find peace through God's love during these sad time of loss.
I will always remember her..I know her heavenly birthday, shared with Jesus, will be fantastic!
❤️ to you all..

I first met this incredible girl in the First grade. Growing up with and around her was always a fun and wonderful experience. We were close during high school and then went our separate ways for a few years after afterwards, seeing each other at FHS Reunions. I never remember seeing her without that loving, radiating smile. I hope each of you in her family will soon be able to let her many radiating smiles she shared with you, warm your hearts. The incredible Lady I know would definitely want you to feel her warmth with every memory that pops into your minds. She was a very special, sweet, positive, and loving person while here with us. I choose to believe the primary reason God called her home was that he needed a Super Angel in Heaven. My prayers are with each of you, her precious family, and I know though your hearts are hurting now, each day that passes she will find a way to give you peace. Peace to each of you and just remember how blessed we all were to have Sheryl in our lives. She left a little of herself with each of us. Thank you Sheryl !!! 🎄💜❤️

PS: A BELATED HAPPY HEAVENLY BIRTHDAY 🎂🎉🍰
