*I love this tribute to Sid III with all the pictures of much happier times. I loved Sid III, and I loved his dad Sid, Jr. I loved being married to Sid, Jr. for just over thirty years. It was a very happy and loving marriage.*

*Sid III had many endearing qualities. He could be the most charming person you ever met. I used to tell his dad that Sid III could charm the wallpaper off the wall! His sense of humor was captivating and very sharp. He loved to read and would surprise you with his knowledge. I enjoyed the times he and I had some deep conversations. There weren't many of those times, but they were memorable! I knew he loved me and he would always say "I love you girl." He will be missed by a lot of people! He loved and was so proud of Sid IV, Sid V, Stella, and Stephanie! He loved his wife Tammy, and his step-son Chris, his brothers Wade and Robert. I did my best to be a good step-mother and Nana! Their dad approved. I think we kept their closets stocked with shirts! 😂 Seems so funny now. I loved to buy shirts for them... I could go on and on with lots of memories, but it is time to close I believe he is in a much better place, in the presence of our Lord and Savior Jesus Christ ❤️*

*With love, Carolyn Stringer Langrell*
