“ I love you dad and miss you more than words can say. You will always be with me in my heart and on my mind. Thank you for the memories and everything you taught me in life (especially how to cook ;) I will honor your name and everything you stood for, from your love of our country to the flowers in our garden. I will miss you reciting the news (even though I was watching it right there with you) and your silly jokes. My life will never be the same without you here. Love you dad.
