

Stephen Phillip LeBlanc

February 27, 1954 - February 11, 2024

Stephen P. LeBlanc, 69, recently of Crawfordville, was born February 27, 1954, in Holyoke, MA. After a prolonged illness, he passed peacefully on February 11, 2024.

Steve was the eldest son of Armand and Raphael "Burns" LeBlanc. He leaves his wife, Amy, his son, Brandon and two grandsons Collin and Patrick.

In addition, with life's twists and turns, he raised two stepsons, Eric and Christopher Eberlein and one stepdaughter, Tiffany Cyran.

First and foremost, Steve was an athlete. In high school, he was a state finalist in gymnastics, after school he studied Isshinryu karate, earning a 2nd degree black belt and in his 30's, took up becoming a sponsored international competitor. Hunting was where he was in his element.

He loved being in nature and spent as much time as he could in the great outdoors. Steve spent most of his life close to home in the Pioneer Valley of western Massachusetts, but he loved to travel.

He talked often of his motorcycle run down to Mexico with a couple of good friends in 1984. In later years, he took a Caribbean cruise, traveled to Arizona, Puerto Rico, Egypt and the Cook Islands.

He enjoyed meeting people from all over and made traveling fun. He loved music and whenever you hear Lennard Skynryd "Simple Man" or Ted Nugent "Fred Bear", that was the essence of Steve.

Steve made the most of his life. He rarely apologized for his decisions and

never hurt anyone intentionally. His wish, was to be cremated and have his ashes left at a good hunting ground.

“ Six years ago Steve and his devoted wife Amy took me under their wings during one of the hardest times in my life. I will forever remember Steve's kindness and wisdom, his staying up late conversing with me so the night wouldn't be so dark. Rest in peace dear one, you will be missed.

“ My dear friend Steve was such a kind hearted guy. I have known him and my Amy since high school. I was so blessed to be able to laugh with both of them and even was able to spend a whole summer one year. We all have a lifetime of close friendship and to many memories to put on paper. One of our best nights was Steve's 60th birthday at Key West. Steve somehow managed to get a rickshaw ride home while Amy and I walked. Steve had the best smile and loved whole hearted. Steve loved his animals and was always kind. Until we all are together again. Rest in peace my dear friend, Carol 🙏🙏🙏💔
