

Stewart C. Kusel

December 19, 1962 - April 14, 2023

Stewart Cyril Kusel passed away after a hard-fought battle with cancer on April 14th, 2023, in Tallahassee, Florida at 60 years old surrounded by his loved ones.

Stewart was born December 19th, 1962 to Conrad and Marti Kusel in Miami, Florida where he developed his love of the water and sports. He graduated from Christopher Columbus High School and attended Eastern Carolina University.

Stewart had a unique gift of connecting with and making friends with anyone he met. His genuine interest and care for almost anyone he met shows through the vast network of friends he had across the country.

Stewart was passionate about the ocean, fishing, sports, and anything his sons were interested in. His unwavering support for everything they did is a cornerstone of his legacy. His greatest accomplishment was being a shining role-model of how to be a father to his two sons.

Stewart is survived and deeply missed by his father Conrad Kusel, his wife of 35 years Sandra, his sons Bradley and Andrew, his daughters-in-law Meagan Kusel and Jamie Sloan, his grandson Liam, his siblings Jim, Brian, and Michelle, and several nieces and nephews whom he loved dearly.

Skip and Trey Young along with Paula and Kimberly are assisting the family with arrangements.

“ I just heard of Stu’s passing. I knew him as probably one of the hardest working Frito Lay sales rep that I knew as my career as a backdoor receiver and a manager of Publix. He did service my store as a suncare rep, I have been retired for a little over 2 years now and always enjoyed talking with him when he was in the store. I remember him bringing the boys to my house for Halloween because I was not far from where they lived then. I baked cookies for Halloween and was happy that kids came to my house I knew so I could give them cookies and not candy. I did work with Bradley as well at Publix. I am so sorry to hear of Stu’s passing. I know it has been over a month but like I said I just found out. Thinking of all of you at this difficult time.

“ Living across the street from Stewart and Sandy for 25 years was such a blessing for us; Stewart leaving to deliver Doritos in the middle of the night (and hoping for an early afternoon nap before the return of the tribe with endless homework from FK Sweet). Eating at the Chinese Buffet, when Stewart called Sandy to inform her they’d had a minor accident and Andrew’s arm hurt (April Fools!), and us watching all of the Kusels in the street feverishly searching the northern horizon for the space shuttle launch (also April Fools!). He was the only victim to catch me leaving a May Day basket.

Our hearts are broken, he will be sorely missed by the Davis Family.
