“ I was saddened to read of Sue's passing.... Sue was a true friend for many years when we worked at FDOT Everyone enjoyed the friendliness and laughter that was coming when Sue appeared on the scene..... In today's world Sue was a rarity, not politically correct but not hurtful to anyone If you asked Sue her opinion be ready for a true answer from Sue, she was truthful to the bone and what you saw was what you got.
May God bless Sue and keep her in his hands and may I hear her laughter again one day.....
