“ *My heart is broken into pieces for your family and Taylor's friends.
I know you will miss him so much.
I know it's just so surreal, but thank God for Taylor ! He was quite a
character as I remember from the dental office. I always loved your
family. I remember Taylor was such a cool kid, he liked to pick on
me, (just like Tyhler did) and I loved every minute of it ! I know he
made lots of memories that will bring you some joy, comfort and
smiles to your hearts.
I am praying peace for your family. My love to you all,
