“ After reporting for duty in the FHP's Troop E, Ft Lauderdale Station in March 1973, Terry was one of the first of the Lauderdale Troopers to welcome me. He was a good Trooper and an even better man of great character. Fond memories of good decent man. Dean Halstead

“ What a dear man! A true gentleman, a man of God. So many adjectives to describe him. Terry ate his desert first for fear that he may be too full after the Thanksgiving Feast for his piece of pie! Heaven is rejoicing !

“ Terry made his mark on my life. From my teenage years at Calvary Baptist Church to his mentorship to me as a young man. Terry was instrumental in navigating me to FHP serve as trooper. I was blessed to not only serve in the Patrol with Terry, but also to serve in churches with Terry in song and teaching. To me, Ms. Jeanette and Terry were like a second set of parents. Terry was a second dad; always ready to listen and give advice that was centered in the Truth of God's Word and laced with real life experiences. I will cherish Terry's wisdom, compassion, and strong faith in our Lord. Terry as a man of the highest integrity; he exemplified the character of a true leader and a man after God's heart. I know Terry has received his reward, his promised eternal life. I am sure our Lord welcomed Terry with these words "Well done, well done my good and faithful servant.

“ So many sweet & fun memories with Terry serving on lay renewals but most of all, he and Jeanette took Page and I under their wings as we started our walk with Jesus. I'll forever be grateful for their love & mentorship to us as young adults.
