“ Teddy was my ex-brother-in-law but he was also and always my friend. I bought my first grand piano from him when he was a music store owner in Tallahassee. I have many fond memories of him. May he Rest In Peace.

“ Teddy and I were best friends in high school and we were inseparable. We fished, hunted and of course played music together. Shortly after graduating In 1971 we played at a nightclub on Thomas Drive called the Dunes of Eng. Our band was called Aladdin’s Lamp which was named by the owner of the Club. We didn’t care what our band was called we were just happy to be working at what we did best. I sure do miss you Teddy. RIP Buddy!
