Daddy You was a bright star ✨ shining wherever you were while you were here but now you are my guardian angel watching over me and your grandsons, I’ll always be Daddy’s little girl, I miss you daddy until I see you again. “ My brother Thomas Theodore Burke (Tommy) was a gentle soul who would give anyone the shirt off his back. I had the pleasure of him living with me for the last 10 years, for most of that it was just us and our dogs. We had a lot of music, coffee and t.v. time. He loved his investigation discovery, and CMT. He liked to talk about his friends and working at the crab house, and he loved to eat (especially ramen noodles) I enjoyed the last ten years I got to spend everyday with him, It made up for the time we spent apart as kids. It was a great gift from God to put us back together. I will miss him every day, and there's a whole in my heart that wont heal until I see him again. Missing him greatly. Love him always.

“ Tommy Burke was the best most caring brother in law anyone could ever have. He was a sweetheart when I worked at easy serve and brought me dinner many nights. He gave me big white tiger figurines several times just cause.
He always had me die or cut his hair even though my shaky hands weren't good at it.
I loved him dearly and miss him so much already.
Until we meet again up there please watch over all my critters. Love you always
Miss Nitta
