“ Tom was/Is the Dad and parent that I never had . He has stood by my side through so much including surgeries , loss , birth of children and there for me when my child has been so sick .He meant the world to me and we are lost without him . If we could have him back we would have him over anything .I will pray for peace and comfort to his family and friends .He didn't want people to cry over him (he knows that we would though).If anyone ask how he wanted to be remembered he said ,”I gave of myself without ever expecting anything in return”. Too many good memories to share here .He had the best spirit and heart .We love you Tom and miss you incredibly .
