“ *I have so many fond memories of Tony and his family. Tony was a great friend who would do anything for you. My brother and I grew up with him in the same neighborhood and we had so many adventures that seemed so huge and they were. I will never forget him and the generosity that his family showed us. I'll never forget our trip to North Carolina white water rafting and visiting all kinds of cool places, going to flea markets, etc. He will be greatly missed and in the words of our friend Scott Roberts, we will always be on the corner, summer bored in my mind. Hanging at the bridge... Rest In Peace Tony.*

“ I was lucky enough to work with Tony and got a chance to see what a great man he was. Tony and I had a lot of conversations about our families. He was so proud of his family, especially his children who he talked about endlessly. I will miss him and our conversations dearly and wanted to extend my condolences to his family.
