“ On behalf of Girl Scouts of West Central Florida, we extend our deepest condolences to Anne, Betsy, Bob, Boo and all who have been impacted by her beautiful life of service to others, especially youth. I so enjoyed reading about Vickie's dedication to Girl Scouts as a troop leader, head of Program Aids and active volunteer. How fitting that her celebration of life will be held at Hyde Park United Methodist Church where the second Girl Scout Troop in the Nation was founded by Jessamine Flowers Link. Truly, Vickie is one of the leaders who continued Jessamine's and Juliette Gordon Low's legacy in South Tampa. Thank you for choosing Girl Scouts of West Central Florida as one of your charities of choice. Sadly, I have a meeting at the same time as her service and am unable to join you, but I will be lifting you in my prayers that your memories help you to feel her enduring love. Yours in Girl Scouting, Mary Pat King, Chief Executive Officer of Girl Scouts of West Central Florida

“ Although I didn't get to spend as much time with Aunt Vickie as I would have liked—she lived in Florida while I was in Ohio—her kindness and generosity left a lasting impression on me. One memory in particular stands out. When I was in middle school studying Japan for a social studies project, Aunt Vickie happened to be in Ohio caring for my mom after surgery. Not only did she help me with my research on Japanese culture, but she even offered to write every student's name in Japanese for my entire grade. Thanks to her encouragement and her special touch, I earned top marks that semester. Aunt Vickie's willingness to help others and her warm spirit will always be remembered with love and gratitude.
