“ I will never forget my sister, Phyllis and I, being pregnant at the same time and having Stephen and Victoria exactly one week apart. They were so close as babies and toddlers & up through High school. (Cousins forever they are). Victoria, my niece, is a beautiful, loving, loyal and logical young woman who loves her family unconditionally. There are no words to describe such a sudden loss - but having Victoria in our lives and seeing her smile, made all of us smile. I will forever love you Victoria. ~ Lori Swann Jackson

“ When I was in Elementary school, my cousins Kati and Victoria would walk me home from school and I would go over to there house for a little bit. Victoria used to let me snack on the Cheddar Chex Mix, which has now become one of my go to snacks. Also, in 2016 I was visiting Victoria at the hospital after a prcoedure and she was so excited about her upcoming wedding. We talked there for about an hour, and I will miss her so dearly. Such a beautiful woman, now a beautiful angel! Love you so much Victoria!

Reading of Victoria's passing has saddened me beyond words. My best memory is Chris and Victoria, preschool friends, riding on the Lion King float in the FSU Homecoming Parade. I texted him this morning and he was both shocked and sad. Phyllis and Rus you are in our prayers and I lit a candle to Victoria this morning.
