A life long friend. Next door neighbors for over 30 years. We made lots of memories together. He will be missed but not forgotten. Until we meet again.

“ *I worked with Warren for 16 years. During that time he was a positive role model for me. We would often have discussions about what was going on in our lives, fishing, or work related stuff. Those discussions would usually be followed with some words of wisdom from him. I learned a lot from him.*

To this day I think about Warren's role in my life and how honored I am to have met, worked with, and able to call him my friend.

You will be missed. Rest in peace. 🙏
