I will always treasure the many times Brother Buddy spoke words of encouragement to me after I preached a hard message. I'll treasure the time he came to Shiloh House of Peace to preach. Until we meet again... RIP, my dear brother.

I worked with Buddy for over 20 years. I would make safety visits to the hydro and would always have a conversation with sweet buddy about the Lord. We would discuss our families too and one thing I can tell you for sure is that Buddy loved the Lord and served Him well. Buddy loved life with his wife and smiled when he mentioned her. Buddy adored his children and believed so strongly in them. You can bet it was an awesome homecoming for Buddy and he will see you again. He was an awesome man. Jill King

“*Bro Buddy—you will be greatly missed. Definitely one of my favorite preachers. I am so thankful that Kevin had the opportunity to meet you and to hear you preach. He told me that you always showed such love and compassion. The world has lost a great man, but Heaven is rejoicing right now.*”

“Buddy left behind a wonderful testimony. He was an awesome preacher to the very end. I knew the first time he went to Mexico and “testified” in the churches, that he would be called to preach. Buddy was a fine example of a Godly Christian man and always friendly to everyone. We will be praying for you Lynnett, Stacy and William. There will a lot of sad days, but Jesus will give you strength. Love you all.

“ *Saying goodbye to someone we Love is heartbreaking. May the family he loved so dear find comfort in the special memories they hold in their heart.*

Buddy will be greatly missed, but his smile and gentle spirit will live within our hearts forever. Buddy's love for the Lord was felt as soon as he walked into a room. His eyes lit up when he talked about the Bible. He has left a broken link in our family for now, but we will be linked together again one by one as we meet again in heaven.

*With our love and prayers
