It has taken nearly a year to even accept this is even possible. What a great guy. No doubt he will be missed by many others. Great memories though. Sad as sometimes that is all you get. We had a lot of fun together back in that trailer park.

“ Alisa and Scott, I am so sorry to hear of Glen's passing. I met Glenn through David Smith and Scott Peel. I was included in many hunting trips in Wakulla and loved it. Glenn was a wonderful person to be around. The hunting, fishing, and his humor. So full of life. A wonderful Husband, brother, and friend will be missed.

“ Glen was my first best friend, and he was everybody's friend once you met him. He was such a wonderfully nice person. I feel like it was yesterday when we were playing baseball, spending the night at each other's house, and getting into trouble together as young boys. Love you forever my brother.

My man Glen! I know and remember him as a cool, collected soul. This news weakens mine, but as I remember him I will stand strong knowing that he faced fear that I will hopefully never see. GPs from Destin!! I love you brother, I thank you for being with me in my times of loss and I am with you now. God bless you!! God's speed from your brother and friend... Greg Parker

Yes, Alan speaks for me, too. And I have to add that no one who ever knew Glen will forget him. His warmth, his smile, the way he genuinely cared about people will live on in all of us who were blessed to know him. Our prayers and love are with Alicia, his wonderful wife and also our friend, and with his family. I know that he is now with God and catching the biggest fish ever. Rest in peace, dearest Glen. We love you.

I met Glen years back when we first bought a place at Shell Point. My entire family thought the world of Glen, he always had a big smile and full of life. Every time we came in from fishing we had to cruise by Glen and Alicia's house...never fail if Glen was home he would run out and hold his arms up and gesture how big! Of course we would stop and give Glen all the details of how big and where we fished. I will greatly miss Glen greeting us as we come in from fishing. God speed to you my friend and God bless your family.

To the Peel family, I am so very sorry to hear of this sad news. It's been many years since seeing Glenn or Scott but I have very fond and vivid memories of when we lived together in the same neighborhood in Mary Esther and playing as children together. Watching the tribute video to Glenn shows as a statement that Glenn enjoyed his life and his adventures on the water, yet he was a husband and father first. My prayers for peace and comfort to his entire family and all friends that Glenn touched.

There have been many trajedy's and deaths at Shell Point since Gail and I moved here but Glen's passing is lthe worst thing that has ever happened and has touched the hearts of so many people. I saw Glen almost every day driving down Connie drive in either his golf cart, Fed X truck or his pickup. I never saw him when he wasn't happy and he always had a big smile on his face. Our prayers are with Alicia and the rest of Glen's family.

You will never be forgotten my friend.
