“ Oh the memories about Billy!! I would attend church with mom and Billy would meet us outside and say to me: “ There’s that green haired girl”!!! To which I responded with “Billy put your glasses on you can’t see!!” He would bust out laughing!!!
A very special man and our family loved him dearly. Our prayers for Elaine, Lou, and Laurie during this time.

“ I wanted to send a message of love to Elaine, Lew, and Laurie. Uncle Billy, as I called him, was like a second father to me, Angie, Melanie, and Jan. Can I say more. Other than he will be remembered fondly and joyfully as I reminisce over all of our vacations together camping. We looked so forward to them. He was there and that made me feel safe.

Thank you Elaine for your faithfulness and devotion. You shared with me a couple of months ago how he loved for you to pray with him. I believe that carried him through. I also want to thank you for your bravery during his illness, that has been an example.

Please know that I hold you all dear and feel like I was his daughter. I am sad I cannot be with you all now and pray this comforts. I know he is at Home now.

I am reminded of the song: It Is Well With My Soul
