“ Please know that I’m thinking of each and every one of you and sending prayers your way. I remember eating several meals and visiting with her while I lived in Crawfordville. She was so sweet, kind, and caring. I can still picture her sweet smile and how it lit up her face. Please know that I’m thinking of all of you and sending hugs and love your way. *Debbie Custer.*

“ *I met Ethelle in 1978 I believe. She was such a joy to talk to and always loved everyone. She would pick gallons of blueberries (with Robbie's help) and send them to me, she knew where the best blueberries in the world were. I will always cherish her love and friendship and I hope the family finds peace and comfort and cherish the memories.*
