“ Janie was one of my dearest closest friends for many many years. Became my family. I saw her weekly to do her hair and that turned into a beautiful sisterhood. We had so many good times and shared lots of laughter. She went thru some tough times with me. There to do what ever I needed her to do. We shared the good and the bad. She will always have a place in my heart. Sit high on the mountain my precious friend. See you on the other side. You know all the ones to say hello to. I love you. Thank you to her wonderful caregivers. Donnie, a wonderful son and Stephanie, the daughter she finally got to have. ❤️
