Zylphia you are the perfect definition of MOM. You always carelessly gave of yourself to help others and you were always there to pick up the pieces when we got our hearts broken. I will love you the rest of my life. I'm so happy to say you were my other MOM. Heaven is so happy now and you are HOME!! I LOVE YOU

“ My family lives in Catlett Virginia. I met Mrs. Roberts on several occasions while she was visiting Delbert and Marian. Although my meetings were short, I feel I know her from knowing Delbert and Marian for over 20 years. The Roberts have been a blessing to our church, Zoar Baptist Church. We love them and prayers are in our hearts for them. God bless you and keep you near during this time.

“ Zylphia was such a caring woman who never met a stranger. Her smile always made you feel welcome and she was faithful to her church, family, and friends. She also gave the greatest hugs. I always enjoyed visiting with Zylphia and Bud during the week or on Sunday afternoons after church. Her desserts were delicious and her company even better. You will be missed dear sweet lady. Love you. My condolences go out to her family and friends and I pray for their healing during this time. Debbie Custer.

I learned to love Ms. Zylphia many years ago when we worked at the old Shadeville Shool. She was one of the kindest and most compassionate ladies that I've ever been around. I just know our earthly loss is heavens gain. Till we meet again....

Prayer for all of the Roberts family. Knew Mrs. Roberts originally from the high school. No matter how many years later that I would see her she always knew who I was. She was absolutely one of the sweetest ladies ever.
